Hello Jill, during our recent phone conversation, you indicated that you needed a letter from me stating who will do the reporting, etc for our water testing. You were going to send me an email stating what is needed in that letter. Could you please send me that? I would like to get this completed.

thanks

We have a line reserved from 12:30 -1:00 pm on Wednesday May 25<sup>th</sup>. Please call (b)(6)

The line holds 6 people max, so if you can get together in one or two spots before calling in, that will help. Thanks so much!

Jill

Hi Travis,

Thursday isn't a great option for us, as John in my office won't be in, and it would be good for him to be on the call too. Friday could work (just not between 12-1 pm), or next Monday anytime, next Tuesday after 11am, next Wednesday between 10:30-11:30 or after 12:30. I can set up a call in number for us to use - once you can let me know what works best for folks out there. I know you are trying to coordinate more people.

Thanks!

Jill,

Would you mind sending out a date and time that works with you and your schedule. Not sure if your available Thursday or not but I think that worked on our end .
